

The Bedtime Book - Reading Guide

Discussion Questions & Activities

For Parents & Teachers

Discussion Questions:

1. What was your favorite impossible question from the book?
2. How do you think the author came up with these questions?
3. Which scientific answer surprised you the most?
4. Can you think of other "impossible" questions?

Fun Activities:

Activity 1: Create Your Own Questions

Ask children to create their own "impossible" questions and try to find answers using books or the internet.

Activity 2: Science Experiment Night

Pick one scientific answer and create a simple experiment to demonstrate it.

Activity 3: Bedtime Story Tradition

Read one question per night as part of your bedtime routine.

Happy Reading!
